1. Pursuant to our telephone conversation of 8 July 1982, I am forwarding herewith a copy of Walt Elder's draft memorandum to the DCI requesting permission to establish a communications link between the Agency and other members of the Intelligence Community. I am also forwarding herewith a copy of my memo to the Chief of the Admin Staff, IC Staff, outlining the gist of our conversation on 8 July 1982.

2. In speaking with on 12 July 1982, he indicated to me that the memo from Mr. Elder has, in fact, gone to the DCI for his approval. Ron further indicated that a senior employee of the IC Staff, has been in touch with the Chief of the Office of Communications and has been assured by that this proposal can be completed without much problem once the DCI gives his authorization.
